

PUBLIC LEDGER

WEEKLY REPUBLICAN—1887.
DAILY PUBLIC LEDGER—1892.

MAYSVILLE, KY., THURSDAY, MAY 18, 1905.

ONE COPY—ONE CENT.

THE HOPEFUL BROTHER.

In thoury ways an' lonesome days, when sorrow
thrills the breast,
I sorer spend a thought or two in hopin' for the
best,

In sayin': "Light
Comes after night,
An' there will be a mornin' bright."

When life seems but a rain o' tears—all deary
an' unblest,
I sorer say, "I'll cheer the way by hopin' for the
best!"

Away with the sighs—
Light's in the skies,
An' suns—they only set to rise!"

An' so it is, from day to day I walk the way
along,
An' when the sorrow shakes my soul I weave it
into song!

An' so, it seems,
The mornin' beams,
An' life is sweeter than my dreams!

—Atlanta Constitution.

vertisements MUST be sent

us have it.

a total of \$9,037.75.

couple of five-room cottages, one of which he
will occupy.

Victory estate will be sold in John Duley's Com-
pensation Sale May 24th. Look at them and be
prepared to buy.

Mrs. L. McDaniel came down from Fleming
county yesterday morning to consult a physi-
cian in regard to her eyes, which have been
troubling her considerably the last few days.

ursions into Cincinnati every Sunday during
the coming season, instead of once a month, as
formerly. The service will commence June 4th.

Our Watch Offer ought to interest any one
wanting a watch. See before buying a watch.
Quality, workmanship and price are our recom-
mendation.

P. J. MURPHY, the Jeweler.

The Island Queen, with hundreds of "excur-
sionists," collided with a coal barge at Cincin-
nati yesterday. The barge was sunk and the
Island Queen broke her rudder. Loss \$2,000
in barge and coal.

John Duley, Agent for Fred L. Auxier of
ectorville, has sold his farm of about 100 acres
to Isaac J. Evans for \$4,000. This makes
three Mason county farms sold by Mr. Duley in
the past three days.

The West Union Defender has adopted a novel
method to get even with some of its delin-
quent subscribers. It advertises in its last is-
sue a list of delinquents and the amount due
for sale to the highest bidder.

Curtis Jett, who is serving a life sentence at
Frankfort for alleged complicity in the Marcum
murder, chopped off the thumb of his right
hand while at work yesterday in the chair de-
partment of the Penitentiary.

The palatial home of former Mayor R. W.
Nelson of Newport was partly wrecked by the
explosion of an acetylene gasoline machine
used to illuminate the house. One man had
both eyes destroyed and several others were
hurt.

Lindsay Pogue, four-year-old son of Mr. and
Mrs. Ed. Pogue of Mayslick, was operated on
here yesterday for hypertrophied tonsils and
adenoid growths by Dr. Woodson Taulbee, as-
sisted by Drs. J. B. Taulbee, T. E. Pickett and
L. Y. Browning. He is doing nicely and will
be able to return home Saturday.

Conrad Smith, better known as "Timer," was
arrested yesterday afternoon for trying to clean
out Snag alley and disturbing the peace gen-
erally. He is a hard case and has done time.
When searched a razor and an improvised slung-
shot were found on his person. There are too
many such characters here, and it is well that
the police have decided to rid the city of their
presence so far as it is possible to do. He is
likely to be soaked when he faces the Court.

WANT THE MAN

For Once the Democrats Choose a
Non-Office Seeker

The Democrats of Mason county have cen-
tered on C. L. Sallee to make the race for Com-
monwealth's Attorney to fill out the unexpired
term of Edward Daum, deceased, and will pre-
sent his name to the Convention to be called
later on.

From a Democratic standpoint a better selec-
tion could not be made, and barring his politi-
cal faith is thought well of by the Republicans.
This much can be said of him: He is a lawyer
of ability and long practice, a Christian gen-
tleman and a good citizen. While there is no
likelihood that a Democrat will be elected, still
if it should so happen, Mr. Sallee is about the
best in the bunch, and insofar as that goes
would be acceptable to the masses. Mr. Sallee
has never held office at the hands of his party,
though a liberal contributor and earnest worker
in its behalf, and it is said does not seek the
nomination.

SALES OF CATTLE

Part of Colonel Otto Callahan's Herd
Goes For Low Prices

On last Tuesday at 1 p. m. at the farm of Otto
G. Callahan the Assignee, C. M. Lee, Jr., offered
at public auction for cash seventeen herd of
Aberdeen-Angus cattle.

Catalogues giving full description and pedi-
gree of animals were mailed to prominent cattle
breeders over the country, but none of them at-
tended the sale.

The bidding by local citizens was not very
spirited and most of the cattle were withdrawn
from sale and will be offered again in Chicago
June 6th.

The following were sold:

Granting Hero 26911 to W. R. Newell
for \$75.

Earlyhill Belfast 49655 to Blain Kirk for
\$55.50.

Earlyhill Pilgrim 49654 to W. R. Newell for
\$40.

Mabel Vane 19895 to Mike Flarity for \$75.

Pride of Aberdeen 67th 39949 to Henry Nor-
wood for \$111.

Imported Eppy of Luggan 60208 to Charley
Kitchner for \$53.

ment of the Flemingsburg Graded High School
this evening.

Mr. Porter Alderson, son of Dr. and Mrs. S.
B. Alderson of Portsmouth, is laid up with a
badly sprained ankle at Radford, Va., sustained
in stepping from a train at that point.

It turns out that one of the Jury that con-
victed James Riddle, fixing the penalty at eight
years in the Pen, for killing O. S. Rogers at
Owingsville, was not a citizen of the United
States, and therefore the verdict was invalid.

The engagement is announced of Mr. Edgar
C. Adair of Lexington to Miss Sophia Frances
Hendrick of Flemingsburg. The marriage will
be celebrated the latter part of June in Flem-
ingsburg and after the wedding the couple will
leave to spend a month at the seashore and then
return to Lexington to go to housekeeping in
Mr. Adair's home in South Limestone.

The C. and O. pay car will pass down the
first of next week.

Contractors Harding & Simons will in a few
days begin the erection of a six room frame

An American eagle, measuring six feet from
tip to tip of wings, was killed by Watson Games
yesterday, a short distance back of Aberdeen.
The same eagle, probably, was seen sailing in
the air on this side of the Ohio several days ago.

Mr. Steve Harrison returned last evening
from Portsmouth, whither he had gone in quest
of his son without finding a trace of the missing
lad. Chief Donovan is communicating by wire
with the police of various cities and it is hoped
the distracted father may soon be relieved of
his suspense by hearing of his son's safety and
whereabouts.

During the severe storm last Thursday night
the large hall and fish were blown from the
spire of the Courthouse at Flemingsburg.
Inside the hall were various cards, one of which
stated that it had been made by George Ham-
mer, coppersmith, in this city in 1828. Mr.
Hammer's son, Mr. H. O. Hammer, of Flemings-
burg will replace the relic.

Beware of Quinments For Catarrh That
Contain Mercury.

As mercury will surely destroy the sense of smell
and completely derange the whole system when
entering it through the mucous surfaces. Such
articles should never be used except on prescrip-
tions from reputable physicians, as the damage
they will do is tenfold to the good you can possi-
bly derive from them. Hall's Catarrh Cure, man-
ufactured by F. J. Cheney & Co., Toledo, O., con-
tains no mercury, and is taken internally, acting
directly upon the blood and mucous surfaces of
the system. In buying Hall's Catarrh Cure be-
sure you get the genuine. It is taken internally
and made in Toledo, O., by F. J. Cheney & Co.,

TUESDAY 1,500 pupils "struck" in one of the Chicago schools. By all means let "striking" be added to the curriculum of the Public Schools in the Windy City.

THERE'S a special Judge sitting in the Court of Appeals in place of Judge CANTRILL. Of course, the people are paying two salaries. Now, just 'sposin' the Republicans had elected CANTRILL, wouldn't the Democrats howl?

ATTORNEY GENERAL MOODY has decided that the eight-hour law applies to employees of the Isthmian Canal Commission. Here's another fine opening for Walking Delegates—who are not afraid of yellow fever and tarantulas.

THAT was one of Louisville's meanest thieves who stole Lawyer LEWIS McQUOWN'S \$50 at the railway station there. LEWIS had just come from defending his great and good friend Judge HARGIS, and that was probably a part of his fee. Talk about "tainted money!"

THE Chicago Job Printers, not willing to wait until January 1st, 1906, when the general movement is to be made, are ready right now to push their demand for an eight-hour-day with nine hours pay. The employing printers, at present prices for printed matter, could not exist under the new conditions, and the refusal of the demand will be general. Therefore, at the opening of the New Year, the woods will be full of Job Printers out of jobs.

If your Uncle Togo doesn't shoot soon, Alphabet ROJESTVENSKY may get too many ships for him.

STRIKES of schoolchildren who have quit desks by hundreds in sympathy with the teamsters strike are to be dealt with sternly, according to President CLAYTON MARK of the Chicago Board of Education. The children's strikes have followed the use of non-Union teamsters by boycotted firms in delivering coal at the Public Schools. It is alleged that in many cases the parents rather than the children are responsible for the strike. Arrest and prosecution is threatened by the Board of Education as punishment for parents who permit children to go on strike in schools.

THE Labor Union thugs of Cincinnati are emulating their brother Labor Union thugs of Chicago. Monday eight of them boarded a streetcar in broad daylight, and when Mr. M. F. CARR, Superintendent of the Stewart Iron Works, attempted to leave the car they attacked him with blackjacks and other deadly weapons. The reason was that after his Company had secured the iron contract on the new Havlin Hotel, based on the then Union scale, the Union workmen demanded an increase in wages that would have entailed a loss of \$6,000 on the contract. In consequence the Stewart Company is employing non-Union workmen. As a result the thugs have started on a campaign of assault—and probable murder.

Political Pickings

HARGIS WAY ON TOP.

Jackson Hustler.

But no one need be disturbed as to Judge Hargis "losing his hold in Breathitt county." No, never! And as proof of this behold how his friends in this county are standing by him in the troubles he does not deserve, and behold the big majority he is sure to roll up next November as the Democratic nominee for County Judge. The Judge is more firmly entrenched in the good will and esteem of the people of this county than he ever was.

Upward of fifteen hundred Hebrew bakers are on a strike in New York.

A Good Suggestion.

Mr. C. H. Wainwright of Lemon City, Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhea Remedy in cases of pain in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by all Druggists.

If you have a weak stomach, or are troubled with indigestion, you will find these Tablets to be just what you need. For sale by all Druggists.

ORDERED TO LEAVE

And He Didn't Stand Long on the Order of Going

Steven Bryant of Wall street, who advertised himself in the papers as a sober and industrious man wanting work, turns out to be everything else but such.

The respectable citizens of the vicinity, after convincing themselves of the man's real degraded character, gave him five minutes yesterday afternoon to get out of town.

He has a wife and three children—one girl and two boys.

Had he not have gone, and that quickly, too, when told to depart, there is no telling what would have happened.

It is best for all concerned that he is gone.
